

**2<sup>nd</sup> National Conference on Recent Trends in Mechanical and Civil  
Engineering  
(NCRTMCE2019)**

2<sup>nd</sup> National Conference on Recent Trends in Mechanical and Civil Engineering (NCRTMCE2019) ,organized by Department of Mechanical Engineering, College of Engineering Perumon, Kollam during May 8-9 ,2019. The conference was an effort to bring together researchers, experts from industries, academia and interested organization to meet, exchange information and ideas in developments in the emerging fields of mechanical and Civil Engineering. We are quite sure that the deliberations during the two days would open new horizons of frontier research for meeting the needs of recent advances in the arena of mechanical and civil engineering.

The conference inauguration ceremony was held on 8/5/2019. The conference was inaugurated by Dr. M A Joseph, Professor in Mechanical Engineering, and NIT Calicut at 10 am on 8<sup>th</sup> May 2019. After the inauguration the ceremony, Dr. M A Joseph delivered a key note speech on the topic “Materials for today and tomorrow”.

Six papers in mechanical stream were presented in the afternoon session. Dr. Dileepal.J, HOD,

Mechanical Engineering, College of engineering and management Punnapra and Mr. Thulaseedharan R, Assistant Professor in Mechanical Engineering, College of engineering Thalassery chaired the session.

On 9<sup>th</sup> May 2019 , in the morning session Dr. Adarsh S , Associate Professor in Civil Engineering, TKM College of Engineering,Kollam delivered a key note speech on the topic “Multiscale characterization of hydrological time series: hydrological modeling”. Eight papers in mechanical stream was presented in that day. Dr. Dileepal.J, HOD, Mechanical Engineering, College of engineering and management Punnapra and Mr. Thulaseedharan R, Assistant Professor in Mechanical Engineering, College of engineering Thalassery chaired the session. seven papers in Civil stream was presented in another venue Dr. Adarsh S , Associate Professor in Civil Engineering, TKM College of Engineering and Ms. Vinu Vijayan, Assistant Professor in Civil Engineering, College of engineering and management Punnapra chaired the session.

Valedictory function was inaugurated by Dr. Adarsh S, Associate Professor in Civil Engineering, TKM College of Engineering, and Kollam. Certificates for the participants were distributed in the function
