ABOUT THE INSTITUTION

College of Engineering Perumon was established in the year 2000 under the Co-operative Academy of Professional Education (CAPE), Govt. of Kerala. The college has registered speedy progress since then and it offers five undergraduate programmes (ME, ECE, EEE, CSE and IT) in affiliation with APJ Abdul Kalam Technological University (KTU). An M.Tech programme in Computer and Information Science commenced in the academic year 2011-12. The students of our college have been securing top ranks in B.Tech Degree Examinations conducted by University right from the first batch. The college has a distinctive academic stature in the arena of engineering institutions in the state.

ABOUT THE DEPARTMENT

The Department of Computer Science and Information Technology was established in the year 2000 offering four year B.Tech programme in Computer Science and Engineering, Information Technology and M.Tech programme in Computer and Information Science commenced in the academic year 2011-12. The major strength of the department is highly qualified and experienced faculty with specialization in main areas of Computer Science and Engineering and Information Technology. State-of-the-art facilities are available in all the laboratories to train the students capable of meeting the requirements of present and future.

ABOUT AICT'19

AICT'19 is a National Conference on Advances in Information and Computing Technologies organized by the Department of CS/IT. The Conference is sponsored by TEQIP-II. The objectives of this conference are:

To bring together academicians, researchers and industry practitioners to exchange and share experience and research results in various aspects of Computer Sciences and Information Technology. It also provides a platform for discovering new ideas and build networking among researchers, practitioners and educators.

To provide a platform for researchers and practitioners to share ideas of Computer Sciences and Information Technology and research experiences.
