## "e-Shudhi" an Automatic Hand Sanitiser Dispenser

### e-Shudhi

"SANITIZE AND BE SECURE"

Designed for perfection

#### TECHNICAL DESIGN

A Non-contact ultrasonic sensor is placed for seamless delivery of sanitizer. A buzzer is enabled for ensuring sanitization. An LED back light is provided for dark environments.

Automatic Hand Sanitizer Dispenser

#### COMPACT DESIGN

The design features a compact cabinet. An easily refillable 2.5 litre liquid sanitizer tank is fitted. It can be wall mounted as well as kept on a table.
